CATCH-ALL is a steel tube shelf that provides countless usages. Like the classic shopping cart structure it resembles, CATCH-ALL does what its name suggests. Store your miscellaneous hats, gloves, and scarves. Hang your coats or install it lower for use as a shoe rack.

CATCH-ALL壁掛式置物架以網狀的線條造型建構出牆面上的置物空間，可隨心所欲擺放帽子、手套、包包及吊掛衣服。如果把產品鎖在牆面較低的位置，亦可當鞋架使用。
