The entrance or hallway is often a very narrow space, which TAF took as a challenge to make a cabinet set that fit **SUPER NARROW** proportions. This cabinet was inspired by the aesthetics of a blue garbage bin outside their studio in Stockholm. It is ideal for organizing your accessories, gloves, scarves, and pocket books.

SUPER NARROW 玄關收納櫃系列以節省玄關空間為設計目的，以薄型櫃體手法發展出可收納隨身配件、圍巾、手套、隨身閱讀書籍等的玄關家具。減少所佔用的玄關空間，並且盡可能收納所需的物件。

Assembly

Step1

Step2

Step3

(opens right)

Complete.

First, decide the door opening direction.

Screw in the four spots inside to secure it on the wall.
