Haowei Hsu

Material

Steel

Finishing

Powder Coating

Texture

Fine Sand

Capacity

10L fire extinguisher x 1

The one-piece wire frame forms a distinct outline, and the intertwined and interactive spatial relationship with the front panel is the low-key and delicate styling feature of OUTLINE.

藉由一體成形的線框構成鮮明的輪廓，與前板交織互動的空間關係是 OUTLINE 低調而細膩的造型特徵。
