### Material

Steel

### Finishing

Powder Coating

### Texture

Fine Sand

### Capacity

20L fire extinguisher x 2

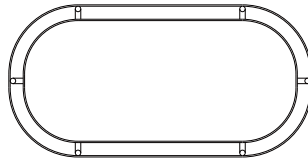

**OVAL can hold two large-capacity fire extinguishers at the same time. The transparent shape replaces the heavy volume feeling, allowing the equipment to stand elegantly in the space. In addition, the upward-rising text panel also improves the readability of important information.**

OVAL 可同時放置兩瓶大容量滅火器，通透的造型取代了厚重的量體感受，讓設備於空間中優雅佇立。此外，向上抬升的文字面板也提升了重要資訊的閱讀性。
