### Material

Steel

### Finishing

Powder Coating

### Texture

Fine Sand

### Capacity

10L fire extinguisher x 1

**Fire extinguishers are necessities in the public space but the coloring and the labels of fire extinguishers don't really match with most environments.**

**SCREEN is designed to fit in different environments in a neat way and also can be found easily when in an emergency.**

滅火器是公共空間中必要的存在，但因其顏色及標示，使其在環境中給人的視覺感受較為突兀。市售的滅火器放置架、放置盒多半是以功能為主要考量，並無法減低滅火器在空間中的突兀感。因此我們希望能設計一款滅火器架，成為滅火器及周遭空間過度，平時能融入周遭的環境，在緊急時也能輕易辨認它的位置。
